The gift deed is in order. The Regd deed of gift contains a direction that the hostel is to be run for the students of the Hindu ~~community~~ religion. Though the donor is agreeable at the instance of the authorities, to its being used for students of all religions, it is a point to be considered whether it would be desirable as the premises contains a Hindu temple which the donor desires to be maintained and religious services are to be conducted. If it is considered that no such complications may arise, if the Hostel admits students of all religions, the consent of the Donor should be obtained by another Registered deed for such use of the premises.

Office of the Deputy Commissioner,
Tolar District,
Tolar, Dated the 31st July 1947

Secretary to Government

Public Works Department, Tolar, Tolar

Subject: Gift of a charan building at Tolar in favour of the
Municipal Council for starting a library

I have the honour to forward herewith the file of records received from the President Municipal Council, Tolar with his letter dated 10/2/46 dated 10/5/1947 on the above subject and to state that Mr. Achaiyah Betty of Tolar Town has transferred by means of a gift deed the country situated near the bus stand at Tolar Town, together with the miniature temple of Sri Arjuna Swami constructed within the premises of the country to the Municipal Council for management. The registered gift deed executed by the Donor Mr. Achaiyah Betty and the registered deed of consent executed by Mr. Pottabhi Ramachandra son of the donor Mr. Achaiyah Betty are enclosed in the records for ready reference. Both Messrs Achaiyah Betty and his son Pottabhi Ramachandra are living together as members of a joint Hindu family. The Municipal Council Tolar have considered the question of accepting the gift of the property at their meeting held on 27/2/1946 and they have resolved that the gift may be accepted. It is also ascertained that the donor has promised to pay a cash donation of Rs 1000/- towards the repairs of the charan building.

The President Municipal Council, Tolar has reported that the building is worth about Rs 8000/- and that the shops attached to the country are fetching a monthly rent of Rs 30/- and after some repairs and improvements are effected to the buildings the income may be increased to Rs 40/- per month. One of the conditions of the gift deed is that the Arjuna Swami temple which is within the premises of the country should be maintained satisfactorily and service in the temple should be regularly conducted. The donor has reserved the right

right of enquiry into the management of the charities. It is reported by the President that the monthly expenditure in the temple is about Rs 12/- and this amount can be conveniently met from the rents realised from the shops attached to the temple. The Chattram building is also very convenient to locate a hostel for the benefit of the High School students. The Municipal Council are very eager to start a General Hostel for the benefit of all students irrespective of caste, color or creed and the Educational authorities who were consulted in the matter have stated that the hostel may be organised if at least 15 boarders could be secured and that the management may apply for sanction as per rules later on through the Educational authorities.

Mr. Doctor Mr. Acharya Betty gifted the Chattram for starting a Hindu Hostel in the first instance and later on he has given in writing that he has no objection for starting a General Hostel in the building for the benefit of all High School and Middle School students. The starting of a General Hostel for the students of the High and Middle Schools in the town is very necessary. I request you to kindly obtain sanction of Government for the acceptance of the endowment of Mr. Acharya Betty in favour of the Municipality and to entrust the Municipal Council to a joint trustees for the management of the charities and the members of the Council.

The concerned records accompany.
